REGISTRATION

- Participant (Oral or Poster) With Publication: 300 USD
- Listener: 50 USD

IMPORTANT DATE

- Full paper submission deadline: July 1, 2019
- Notification of acceptance: July 15, 2019
- Final paper submission and authors' registration: August 01, 2019
- Final payment: August 01, 2019
- Conference date: September 25-26, 2019

CONFERENCE ORGANIZERS

- Eman Research Center – Australia
- University of Technology – Iraq
- Universiti Malaysia Perlis – Malaysia
- Universiti Sains Malaysia – Malaysia
- MIE University – Japan

WHEN

September 25-26, 2019

CALL FOR PAPER

- Advanced Materials Characterization
- Biomaterials
- Building Materials
- Bulk Crystal Growth
- Coatings and surface engineering
- Composites and polymer materials
- Computational Materials Science
- Design /Processing of Materials
- Design of Experiment of Materials
- Manufacturing of Materials
- Materials and the Environment
- Materials Characterization
- Materials Chemistry
- Materials Physics
- Materials Theory and Simulation
- Nanotechnology
- New Functional Materials
- Optical and Photonic Materials
- Optoelectronics
- Organic and Inorganic Materials
- Recycling and Waste Management
- Semi-Conductor & Micro-E Materials
- Smart/Intelligent
- Materials/Intelligent Systems
- Testing and Evaluation of Materials
- Thin Films
- Other Related Topics

PAPERS SUBMISSION

- The paper **MUST** be submitted using EasyChair online submission system. For more information, please visit the link below:

WHAT

IConMEAS

IConMEAS 2019 is the premier forum for the presentation of new advances and research results in the fields of the Materials Engineering and Science. The conference will bring together leading researchers, engineers and scientists in the domain of interest from around the world.

The main objective of IConMEAS 2019 is to provide a comprehensive global forum for experts and participants from academia and Industry to exchange ideas and present results of ongoing research.

WHERE

University of Technology (UOT) : UOT is one of largest universities in Iraq located in Baghdad, it was founded in 1975. UOT is a leading university in the field of Engineering, Computer Sciences, & Applied Sciences & Technology, which contains 16 departments & 3 research centers.
